Robert Metcalf, Jr.

February 12, 1961 - August 9, 2022

Robert William Metcalf Jr went to heaven on Tuesday morning August 9 2022 in Tulsa. He was born on February 12,1961 in Ware Massachusetts to Robert Metcalf and the former Shirley Demers. He was 61 years old. Robert grew up out in the country in small town of Ware, Mass. He had three brothers and two sisters. They spent their childhood sledding, ice skating, playing hockey, fishing, and little league baseball. They rode their bikes everywhere they went. So many fond stories he would tell. His family moved to Tulsa in 1976. Robert went to East Central High School and played Varsity baseball. Robert loved the game. He graduated in 1979. He went to TCC and got his associates degree in quality control. He worked for OSECO and loved his job and his co-workers. He started as an inspector and later became a Quality Control Manager. He met Machelle in High School and married the love of his life on May 22, 1981. They had their Son Marcus in 1982 and daughter Danielle in 1983. They had the family they always wanted and talked about. Robert loved being a dad. They spent their time going to baseball, soccer, basketball, and hockey games as well as cheer, piano and singing lessons with the kids. They spent their summers on Grand Lake on their boat and riding sea doos. He loved the outdoors and fishing for trout on Lake Taneycomo and took his family and friends every chance he got. He was an avid New England Patriots and Boston Red Sox fan and collected sports and memorabilia. He listened to classic rock music and would never pass up a chance to dance and sing as loud as he could. He loved life. He was kind and generous. He was so excited

to become a Pepaw and Papaw to Summer, Maci, Bentley, and Cohen. He loved his family. He was so loved and will be missed by so many but we know where he is at and we will see him again.

Machelle I never got to meet Robert. But through FB I could tell how much you adored each other and how you took care of him. I think about you more often than you know. I wish peace for the entire family but especially for you. I always admired your strength even when you didn't think you were strong! I am proud of my childhood friend from the neighborhood.
With love and peace for all,
Joanie
