“ I am so sorry to find out Carol is gone. She was my neighbor in Tampa for a few years and we became friends while she was here. She and I used to take walks and talk about everything we could think of. She always made me smile with her quick wit. I missed her when she left here and the only connection we had was on FB. She has been on my mind the last few days and I looked on FB and discovered this sad news. Sending the family prayers and hugs.

“ Carol and I became friends our very 1st day of high school at Mt St Mary's in 1958. I didn't know then that my friendship with Carol would not just be just a great friendship but an adventure! She was unique in that she could see the humor in everything and she taught me to do the same. We never had a visit in the next 63 years that we didn't laugh at each other and life itself..even in the worst of times. There will never be another free and caring spirit like Carol. She was one of a kind and a blessing to all of us that knew her. We will miss you.

“ nana was no doubt one of my best friends since the moment I was born, she was there for me anytime I needed someone or something and always supported me in everything I did. Life won't be the same without this amazing lady.

“ Carol was my Supervisor at MetLife some 20 years ago and quickly became a great friend, and confidant.
We had a very special friendship. She had a great sense of humor and we definitely laughed a lot. She was there for me when my Mother was sick with Cancer and after my mother passed. She was there for me after I divorced. She was there for me when my Dad passed. She was there for me when I married again. Not to mention that she was a great leader at MetLife and I worked with her for 8 years. I will miss her everyday. But, I now have a great friendship with Tina Stacey to carry on with. Love,
