“ Papa Hall, Donette, Sisters and Family,

I am so sorry for the loss of Mama Hall. She was an amazing woman. I think of all the fun I had growing up in the super cool multilevel brick home with the circle drive. Donna treated me as if I were her own. I remember the time she gave me a perm in the kitchen...had to love the Olgave (?) home perms! She was an absolute angel on earth and has become an angel in heaven.

My love and sympathy is with you all.

“ I am so sad about Dona's passing. We will miss her so much and our prayers & thoughts are with her family. Every other week, she was a delight to play bridge with whether as a partner or as an opponent. Winning or losing she was always a gracious player and had a fabulous sense of humor. My life has been a better one having known Donna.
