“ to the family of Joan Duininck--I am so sorry to hear of this just today and want to extend my sympathy to all of her fabulous children and their spouses and children. Joan was always like a big sister to me when she was living in Grand Rapids, mi and was my very favorite and looked up to cousin. She was a senior at GR Christian high school and I was a freshman. She always had loads of guys who wanted to date her and I even got a few of the ones she turned down because I was her cuz. She had a beautiful singing voice that brought tears to my eyes on more than one occasion when I was able to visit her at college in De Pauw, Ind.. She was a beautiful person as you all well know and I had a few wonderful phone conversations with her near the end of her life. have more recently left messages on her phone but did not get any replies so finally googled her to see if there was any information and now have found the obituary."when we all get to heaven, what a day of rejoicing that will be-- When we all see Jesus, We'll sing and shout the victory!!" If you have any memories of her funeral , I would love to receive some of them. My address is Rosemary Vroon 2135 Onekama Dr. Grand Rapids Mi 49506

“ I had two reactions when I heard that Joan had passed from this world and into heaven. The first emotion was sadness for her family as I know she will be missed dearly. My second was to smile when I thought of her with Will and Kelly again. What joy!!!

I had the honor of working for both she and Will. I had a long term relationship that started by working at Hart Ranch and turned into a friendship. I think that was truly a gift that both Will and Joan had... they treated everyone well and with such kindness. They made God the center of their life and they loved their family fiercely. They practiced what they preached, and that was both motivating and endearing.

The memory that I would like to share happened when I was working in the flower beds up at the “Big House” in Rapid City. I was outside doing my job, and Joan came out. She was passionate about something that was going on, and she was talking 900 miles an hour. (I do not remember what the topic was!) Will pulled up and walked over to join us. Joan immediately included him in the conversation. After listening intently for a few minutes, Will got the look of a complete shyster on his face. He started to twinkle and he smiled at me when she wasn't looking, and then said “Well now, Joan...” . That's all he got out! That phrase was gasoline to her fire and he did it on purpose! She got a fierce face and said “Don't you ‘Well now, Joan’ me!” I still smile remembering those two that day. They were each amazing people, but they were at their best together. And so, I am blessed to have known them, and very thankful they are united for all eternity. May we all live our lives with as much integrity and spunk as Joan did!

My love and hugs to everyone in the Duinink family.

“ Sending much love and prayers to my dear friends, the Duininck family. From the first time we met, Joan Duininck became my heart friend. I knew her sons first , my good friends, and what a blessing would follow as i became acquainted with Joan and Will. So thankful for the interest Joan took in my life, and no matter the time in between visits, I always knew I had a faithful and loving friend in Joan Duininck. She and Will invested in many lives, mine included, and we are all the better, for having walked with them awhile. I hear you rooting for us all, Joan and Will, along with my family members too, in heaven's grandstands. Looking unto Jesus the author and the finisher of our faith. Heb. 12: 1,2. “ I first met Joan and Willis at Hart Ranch in South Dakota. Joan led a Bible Study that was inspiring to all who attended. She and her family were so kind to me when I went through some medical issues. I know their prayers helped me. She was a great lady and know you all will miss her. Susan Hodge
