

Aaron Hickey

August 7, 1981 - December 16, 2024

Aaron Randall Hickey was born on August 7, 1981 in Houston, Texas. He is the son of Randall and Lillian Hickey. He passed from this life on Monday, December 16, 2024 at his home in Broken Arrow, Oklahoma due to complications of colorectal cancer. He was 43 years of age.

Aaron graduated from Sharpstown High School in Houston, Texas in 1999. He then attended and graduated from the University of Oklahoma in Norman, Oklahoma where he studied Biomedical Sciences. While at OU Aaron met the love of his life, Christina, and they married in 2005 and welcomed their son, Aiden in 2006. He worked for Hilti for over 18 years before leaving to pursue a new career at Rick Scott Construction as the Director of Business Development.

Aaron was an avid outdoorsman who enjoyed hunting, fishing and just about anything involving sun and water. He was able to share his love of these things with his son, Aiden, where they had many wonderful adventures. He was a dedicated coach to all of Aiden's sports teams including baseball, football and lacrosse. Aaron had a heart of service and was always willing to help his friends and family with anything that was needed. He never met a stranger and had a knack of making everyone feel included. Aarons greatest source of joy was his family.

Aaron is survived by his wife, Christina Bryant Hickey and his son, Aiden Aaron Hickey of Broken Arrow, Oklahoma; his parents, Randall and Lillian Hickey of Houston, Texas; his sisters, Amy and John Adams of Stafford,

Texas; Tracey Priska of Rochester, Michigan; and nieces and nephews, Mason and Madison Trevino of Stafford Texas, and Hunter Jackson of Broken Arrow, Oklahoma; and countless aunts, uncles, and cousins. Aaron is preceded in death by his grandparents, Paul and Enedina Ovares of Taylor, Michigan; Earl and Lorraine Hickey of Roseville, Michigan; his aunt, Anna Marie O. Kish of Taylor, Michigan; his uncle John Hickey of Roseville, Michigan; his cousin Rod Kerr of Taylor, Michigan.

“ I am so very sorry for your loss. An amazing man, brother son, and I can tell husband. I didn't know him long and only met him a few times but even as this comes late in the timeline the time that I got to know him and his sister and family still sits deeply with me. The best years of my life for sure. I love you all. Never stopped loving you and Amy. I wish I could be there with you now. I'm heart broken.

“ Aaron was a wonderful mentor & friend to me at Hilti. He had a great sense of humor & if I remember correctly he would bring in his wife's delicious pies for special occasions. A caring individual, lost too early in life!! My prayers to his grieving family for this great loss'

“ Aaron was a great friend! He was the first person to welcome me to the field at Hilti. He offered his time to teach me the ways. He was always there for me when I needed support or just needed to complain. Even after he left Hilti, we talked weekly. It was never a quick call, we would talk for 30 minutes.

Back in May of this year, a bad storm came through late, it ended up missing our house but hit just miles away in Claremore, Aaron was the first person to text me and check on us when the storm was right over us. He was always checking on me and my family. Even when it wasn't scary related and my Braves would get thrashed, Aaron was always texting me checking on me. I will forever be thankful for the friendship I had with Aaron. He was an amazing man and an even better family man. If I know one thing about Aaron, he loved Aidan and Christina! I feel like I know them better than I really do because of how highly Aaron spoke of them. I pray for comfort and healing during this time! Here are some pictures of Aaron and I "working"!
