“ *Al Cooper*

“ *I remember countless times when events that happened at Coweta First Assembly would have normally called for a parent to step in and speak up on behalf of their own. Al knew I didn't have that person. He was one of an elect very few who chose to stand up and say " I claim him" or "I am" as in I'm here for him. He was always willing to stand up for those who needed somebody to hold on to them and reassure them that they were important and cared for as well. He really emulated Jesus love. He would try hard to go after the 1 while knowing the 99 were gonna be ok. Loved Al. Will miss him. I am so happy he doesn't have to sing about the wonder of the Lord, He gets to be whole again in His Presence.*

“ *Al was a delight to care for. He had a great smile and I will always remember him riding his motorcycle and the noises it made. He said many things that made us smile and had gentle hands that could hold yours forever. He will be loved and missed by many. Thank you for the opportunity to care for such a good man.*
