

Alice Blackmon

October 15, 1936 - January 26, 2021

Alice Della Blackmon was born in Porum, Oklahoma on Thursday, October 15, 1936, the only daughter with four brothers to Rufus and Edna (Stephens) Adams. She was the middle child of the five, with two older brothers and two younger ones. She passed from this life into her eternal home in heaven on Tuesday, January 26, 2021 in Broken Arrow, Oklahoma.

Alice's family experienced two different tragedies when she was quite young: her father died in a coal mining accident and then just two months later one of her younger brothers drowned in a swimming accident. Her mother was required to find a job and the family's extended family all chipped in to help raise the remaining four children. Despite the rocky beginning, Alice blossomed in school and became involved in choir, glee club, yell club, drama and was a cheerleader. She graduated from Henryetta High School in 1954. During those high school years, she met the love of her life, Johnny Blackmon and the two married on November 23, 1953 six months before she graduated from high school.

She became the mother of three boys and was a stay-at-home mom the entire time they grew up. Although she did babysit some other children to earn some extra money for the family. The boys remember a time when she watched seven other kids besides themselves for a time. Alice was always active in Baptist churches her entire life, singing in the choir, teaching Sunday School

or volunteering in the preschool department. During the years she was a member at Gracemont Baptist and Memorial Baptist Church.

Alice was an OU Sooner fan through and through. She was a football season ticket holder and attended many bowl games through the years. She will be missed by all who knew and loved her.

Alice is survived by:

“ Alice pretty much raised me. She was my babysitter my whole childhood, from age 6 months till I left home at 16. If it wasn't for Alice no one would have ever told me they loved me. Her patience with me was infinite, always reading to me or coloring with me or playing game after game of red light green light in the front yard! She would let me help pick the green beans from her garden and we'd wash them together with me standing on a stool next to her at the kitchen sink. She took me to every dentist appointment and get me a Wendy's frosty afterward each time. She took me to my swimming lessons when I was 5 and encouraged me (but not let me off the hook)when I was scared to jump off the diving board into the deep end! We would sing along to Randy Travis in her red and black blazer as she took me to school and picked me up everyday, always there a couple min early. She could scold me without me feeling like I was in trouble. She always shared her peeled orange slices with me. I have so many lovely memories of Alice, she truly was my rock. I loved Johnny and the boys too- he always saved his dessert out of his work lunchbox for me. Butch, Mike, & Randy would tickle me and torment me like real big brothers do. Alice and her family made me feel valued and honestly was my sole source of belonging growing up. I love you guys, I love you Alice. Thank you and I'll always miss you and your hugs...Love always, Jen Marshall
