“ Dear Janice, Tammy & families:

*The world has lost a very special lady & Heaven has gained a precious soul. Your mom has long been one of my favorite people. There has never been a time in my life that I have not known Alice Martin. She was funny, sassy, had a heart as big as the world, loved her family dearly (I just counted myself part of that family!); loved her Savior even more & was as loyal as the day is long. What a heritage she has left you!*

*May God deeply comfort you today & fill all of your tomorrows with many precious memories.*
