“ My niece, Amber Michelle Weber-Ullrich. I remember the day she was born. Took forever. Several of us were at the hospital. I had to leave and get back to work. I got the call later in the day from my older sister, Charlene. She said "Amber's here" ! Donna brought her to my workplace and i showed her off to everyone i could even going to other floors. Have a lot of memories with her and Mindie as they grew up. Taking them to parks, swimming at big splash (summer passes), events etc. Will always cherish our times together. My heart hurts for husband Jason, stepson Emmitt, dgtr Taylor, son Baily, grandchildren Paisley, Kenzlel, Brynlee, sister Mindie and mother Donna. ♡
