

Amity Eileen Ritze

July 30, 1980 - November 27, 2020

Amity Eileen Ritze, of Broken Arrow, Oklahoma, went home to be with her Lord and Savior on Friday, November 27th, 2020 in her home surrounded by family. She was born July 30, 1980 in Tulsa, Oklahoma to Dr. Mike and Connie Ritze. With a name that means friendship, Amity spent her 40 years on this earth as a true force of nature-- positively impacting many lives with her infectious congeniality, exemplary strength, and unwavering faith.

Amity graduated high school from Trinity Christian School in Broken Arrow, Oklahoma in 1998. She received her Bachelors of Science in Biological Sciences (Pre-Medicine) from Oklahoma State University in 2004 and her Masters of Business Administration (Magna cum Laude) from Saint Leo University in 2010. She began her Juris Doctorate at Oklahoma City University School of Law in 2015; while there she received an Advanced Legal Research Award and was the SBA Outstanding Student of the Year. She completed her Juris Doctorate at The University of Tulsa College of Law in 2017 where she also served as Phi Alpha Delta Law Fraternity's Vice Justice. While a legal intern at the Law Offices of Sherwood, McCormick, and Robert in Tulsa, Amity became a certified member of the Oklahoma Bar Association in 2019; she was sworn in on May 29th, 2020.

She will be remembered for her love of travel, jetsetting to the most beautiful beaches, scuba-diving in the most iconic reefs, and sunbathing by the most

luxurious pools. You could either find Amity at a concert (most likely New Kids on The Block), out to dinner with friends (most likely at a hibachi-style steakhouse), or shopping (most likely adding to her famous shoe collection). If she wasn't enjoying the good life, she was making someone else's life good. Amity took great pride in her many motivational speaking engagements and planning, organizing, and executing countless philanthropic events. But her biggest passion was her family and spending every summer at Table Rock Lake.

In December of 2015, Amity was diagnosed with Stage 4 Metastatic Breast Cancer. Rather than be defined by a disease, she used it as a platform to inspire others. Because of the awareness that Amity garnered, in 2016 Governor Mary Fallon signed House Bill 2601 into law, making Oklahoma the 26th state to report a patient's breast tissue composition through the mammography reporting results. Amity then helped establish a Tulsa chapter of Project 31, a community by and for breast cancer survivors.

Amity is preceded in death by sister Kelsey Ann Ritze; Grandparents Dr. Ted and Oka Ritze; and Grandparents Elmo and Mary Ann Wilkerson. She is survived by parents Dr. Mike and Connie Ritze; Sister Dr. Heidi Prince and her husband Dr. Andrew Prince; Brother Jamey Ritze and his wife Sydnie Ritze; and Nephews Jude Prince, Jack Prince, and James Ritze, III; Uncle Dan Wilkerson and his wife Michele; Cousins Zahn Wilkerson and his wife Kelly, Matthew Wilkerson and his wife Briana, Whitney Wilkerson and her fiancé Ryan Blackerby; Second-Cousins Kai Bishop-Wilkerson, Daniel Wilkerson, and Charles Wilkerson; and infinite friends who she made feel like family.

“ *Heartbroken to hear of your passing... I never doubted you were going to beat this terrible disease because we all knew how determined and driven you were with everything and anything you did - after all - you were going to be President one day if I remember correctly!*

My memories of Amity go back to our freshman year of college where we met on the fourth floor of our dorm rooms. We "signed" out every weekend to go spend at your parents house where your mom spoiled us with the BEST baked goodies and lots of Dr. Pepper. You made our (Christina and I's) freshman year something to remember - going out dancing for PE credits, Watching movies in your dorm room b/c you were the ONLY one who didn't have a roommate, making us feel like we were home even though we were thousands of miles away, fast food runs all weekend, surviving a tornado all together, spring break in FL and so many more. Grateful for our friendship during that season. You were an inspiration to so many.

To Amity's family - so sorry for your loss. My prayers and thoughts will continue to be with you!

“ I will always remember Amity’s sparkly eyes and vibrant smile. She was bold yet friendly, and her public speaking skills always amazed me. I remember sitting in the chapel at Trinity while she spoke on stage about something, marveling at how effortlessly she presented herself, and wishing I could be half as brave (instead of breaking out in hives like I do and getting all shaky and nervous :)
I am praying for you, Dr and Mrs. Ritze, Heidi, Jamey, and families. My heart is broken for you. But so thankful for the Hope of heaven through Christ. ❤️

“ I am so blessed to have met Amity during law school. To be really honest, I didn't love law school but I really loved Amity, and I was always happy to get to go to class because I'd get to be with my beloved friend. We sat together on the first day of class, and pretty much every class after that. When I met her, I finally felt like I'd found my people—a friend I'd love the rest of my life. I'll never forget and always cherish our memories of spending time together during downtime whether we were discussing class over coffee, laughing about a pair of ridiculous and fun shoes I wanted to buy while we ate burgers, or just talking about our day as we decompressed from a stressful class. I don't think I've ever smiled or laughed as much as when we were together. Amity, I love you and can't wait to see you again in the summer 🌞

“ There will never be anyone like Amity; she is one of a kind. Words can never do justice in describing the character, many attributes and qualities of such a beautiful soul. Amity was strong, bold, full of life, independent, thoughtful, caring, motivated, driven, beautiful, an old soul, wise beyond her years, confident, and so many more adjectives one couldn't possibly list them all.

I am proud to be her friend and grateful for the time God allowed us to experience this amazing woman. I take solace in knowing this isn't "goodbye", but rather "until we meet again". Amity, thank you for being unabashedly YOU!!, for blessing all those around you and being a positive beacon for everyone to see. You have left your mark on this world and in the lives of those who knew and loved you. I will always remember you with fondness. Until we meet again my friend.

“ Amity truly lived up to the meaning of her name. I met her as one of her students at Brown Mackie College. We quickly bonded over our mutual love for NKOTB and all things glamour! She was certainly a force, but in the very best way. She always had a way of making the most mundane tasks seem like an adventure. Her laugh was contagious. Her passion, unmatched. I never knew anyone like her and probably will never meet anyone like her again. Whether you knew her for a lifetime or spoke with her in passing, you can bet she made some sort of impact. She will truly be missed.

“ I was fortunate to have met Amity when I accompanied my sister, Bonnie, to CTCA a few years ago. She definitely made an impression! She was smart, funny, beautiful and so much more. She was always there for my sister during her numerous visits to CTCA with a genuine smile and upbeat attitude even though she was suffering herself. How she accomplished so much in her life is truly amazing. I would love to have spent more time with her, but it was not to be. Hearts are breaking that such a wonderful person has left us far too soon. Rest in peace, Amity!

“ I remember Amity as an excited child helping her learn new projects during her 4H years! I was fortunate enough to tutor the group of 4H club members, where she was an active member. I want to remember the curiosity of a child through her eyes, and .as she became a young woman. Mike and Connie....thank you for sharing your daughter with all of us.

“ Dear Mike and Connie,

I am so sorry. I haven't wanted to bother you knowing this was a tough time for everyone.

Please know I have been keeping you both in my heart. Please understand we all know you two reared one fantastic, angel warrior — who was funny and gorgeous, to boot.

I am so sorry Amity's time was short — although, whew. Talk about setting the standard for “accomplishments” from a real, pure hearted woman. Connie and Mike, I am sorry your terrific family suffered her loss. While I know your faith will sustain you all, terrific parents that you are, I have to add that right now, I'm wishing my arms stretched to Broken Arrow.
