“ *I'm so sorry to hear of the loss of Polly. My parents and I were neighbors of hers and had known her since the early '80's. She was always so sweet and still loved to walk across the street and chat if we saw each other outside. My thoughts and prayers go out to her family members at this difficult time.*

“ Our sincere condolences to Mrs.Brown's family.
She was a dear friend of ours for the last ten years.we visited as hospice volunteers for a couple of years.As her health got better she was taken off hospice but, we kept up our visits.She was such a nice lady that we enjoyed our visits and loved to hear lots of stories of her earlier years and the experiences she had.She loved her family dearly and was always concerned for their welfare.She often talked of her grandchildren and how precious they were to her. Our hearts go out to them.We know they will miss her dearly.we will as well.
Rest in peace nice lady,enjoy your time in paradise with your departed loved ones.
