“ Growing up with all these wonderful cousins running all over Savoy and playing up and down the mill pond with Tony and all ... always great fun together and I always looked up to Tony.

One funny memory I have is at Savoy when he, myself and a couple of other mischevious cousins were all paddling back near shore in the flatbottomed john boat under a tree that branched out over the millpond ... when all of a sudden a water moccasin (that's a snake for all you citified folks LOL) fell into our boat!!!

OMG! Except for that collective "WT...??" momentary pause ... we ALL spontaneously gave up the boat jumping out and frantically swam to shore! Snicker ... great times, will miss him greatly.

I remember hearing him talk about that when I was a little girl! I'd forgotten all about it. Thank you for sharing!

“ Growing up in this family of 21 first cousins was, and is still, amazing! Playing with Tony and his 4 other siblings throughout the years, visiting in Tulsa and the summers at the Savoy mill pond hold so many memories! Tony will be missed by all and not forgotten!

I can't even imagine having that many cousins to get into trouble with as a child. I am sure you all had some great times together!

“ *Amazing neighbor, and truly a wonderful man. You can tell the light he shined was bright and everlasting by the family he has left behind and love everyone had for him. I will miss our talks over the fence and the handshakes we shared. Rest easy my friend.*

“Dad, thank you for being such a gentle and loving father. I made you a promise that we would take another trip to Mexico together, and we will. Come May, you'll be part of your favorite place forever.
