“ I'll never forget how Babs and Eddie came to California to visit us in 1993. I was sixteen and was going to get my d. license, and Babs insisted on paying for it. My dad had given me his old pickup, which was a nissan. Babs had joked about how it was a nice-un(okie for nissan). She was so funny! I will miss her alot. But I'm happy for her that she is with Jesus now! -Steven Dodd
