

## Barry Fleming

September 22, 1953 - March 5, 2023

We are beyond sad to announce the passing of our beloved Barry. He died on Sunday, March 5, 2023 at St John Medical Center in Tulsa, Oklahoma surrounded

by loved ones after a battle with cancer. He was 69 years old.

Barry was born to Wallace and Jeanette Fleming on September 22nd, 1953 in Melrose Park, Illinois. After graduating from Walther Lutheran High School, he received a Bachelor's degree in accounting from Illinois State University where he

met his wife Corrie. They married in 1978. He was a Certified Public Accountant

for Standard Oil, BP Amoco, and IBM for 41 years.

Barry was an avid fisherman who especially loved his trips to Canada. He was Grill Master Extraordinaire and a financial wizard. In the summer, the coolest place to be was with Grandpa in the pool/spa. He was a passionate OU fan, and

die-hard Chicago Bears devotee no matter how badly they played. A season ticket

holder, he closely followed Sooners softball more than he would admit. He counted down the days until our annual vacations to Isla.

Barry held many titles in his life, but his most accomplished roles were father and

husband. Some favorite times included Florida family road trips, bowling

leagues

with Corrie, fishing Sundays at the grandparents, Christmas Eve traditions, driver's

ed training sessions with the kids, family movie and game nights, and of course

coaching and attending the myriad of sporting events of his 3 children, ranging from baseball to tennis and soccer to wrestling. As the years passed, he never forgot these memories and would fondly share them with startling accuracy and

comedic delivery, but only if prompted, and always with a dad joke or two.

He will be deeply missed by all.

He is survived by:

Wife: Corinne Fleming

Son: Lee and wife Kristin Fleming

Son: Chris and wife Kimberly Fleming

Daughter: Candice and husband Kadin Scott

Grandchildren: Savannah, Hunter, Evan, Kate, Cohen, Scarlett, Brooklyn and Allie

Sister: Kay and husband Tom Pontious

Barry was preceded in death by his parents, Wallace and Jeanette, and brothers,

Blair and Bruce.

Donations: American Cancer Society

“ Barry was a member of a quartet of guys who spent all 4 years together at Illinois State University doing what guys of that age usually do. It was Barry, Bob, Wayne, and myself. We kind of had our own fraternity there. The bond we forged was strong and wonderful. Life sent all of us in different directions, but the love I always felt for all of them will last forever. We lost Wayne 2 years ago, but the memories are beautiful and joy filled. Barry was a great and loyal friend. He was warm and funny. He only spoke when he had something to say, and when he did speak it was always right on the money. My deepest sympathies to Corrie and the entire family. Your husband, father, and grandfather was a beautiful human being. Rest in God's Peace my friend. Mark Wilkening
