“ *Beckie and I were very close friends through junior and senior high school. There are too many memories to count — Rainbow girl meetings and out of town events, band practices, Oklahoma Military Academy trips, participation in the Junior Miss Pageant, building class floats and just cruising Main in her huge black LTD. And very much loved, our annual back-to-school shopping trips for bargains when her mother took us to downtown Tulsa. Sweet friend, you will always be in my heart. Condolences to your mother, Jason and other loved ones.*

“ I spent many happy days with Becky in BA both in school activities and First UMC activities. We worked on several homecoming floats together. We got to work together on some of our Reunions. So sorry to hear of her passing. She was a jewel. BAHS 67 will miss her

“ *I was shocked to when Jason came to the door to tell me that Beckie had passed. We always referred to each other as the crazy ladies across the street from each other. My son Paul and Jason were one week apart in age. Our friendship began when I started babysitting Jason and our friendship grew even more when I went to work with her at her Dad,'s trucking company. We had such good times and even thought our paths took different turns we would spot each other and wave when we saw each other outside or in our cars. I am sending prayers to Ethel, Jason and the entire family. She will remain fondly in my heart always.*
