“ *Bette was one of the sweetest, kindest, and Godly women I have ever met. We shared so many good times with her and Craig through the Corvette club. Even though she had moved away, we kept in touch. She always thought of others and had a smile on her face every day. I loved her dearly and will miss her, but I know she is safe in the arms of the Lord. Condolences to her beautiful family.*

I also enjoyed talking to her about banana breads and corvette. Will truly miss working with her. My deepest condolences to her family. - Jayanth Subramaniam

“ I am blessed to have known Bette and her family for over 50 years and spent time in their home in West Liberty. As you can see from this current photo Bette loved life and ceased the moment in everything she attempted. She took my grandson for a ride in her corvette in FL and showed him what a corvette was all about. She will certainly be missed her on earth but she will shine in God's country now. We love you and miss you Bette. My love and prayers to all of her family and friends, she was a treasure.

“ *I am so sorry for your loss. My two sisters and I went on a wonderful cruise with Bette two years ago and she was the life of the party. Always ready for an adventure. My sister Mary and Bette shopped so much they had to buy another suitcase to get all home. My prayers to you all at this hard time.*

“ *Bette and I were classmates and neighbors on 3rd street in West Liberty, IA during our younger years. She and her sister Diane had a pet raccoon named Skippy that lived in the barn/garage behind their house (I don't remember how/where they got him). We spent a lot of time playing with Skippy and playing a lot in the upstairs of the barn. Something from her past she may not have talked about much (if at all). Prayers to the family.*
