“ *I love this lady.....she taught me things, gasp at the things I taught her and she loved to play a joke. I loved nothing more than when she would say to me "let me get some glasses so I can check you out"...because she was so pretty and paid attention to every detail you knew you were probably in trouble. Love you Aunt Bet. I am so happy because without a doubt you are on the wings of a dove playing headed to practical jokes on Uncle Danny.
Love you,
Sherie*
