“ *When I think of Betty, I think of the description in the Bible of those who are "pure of heart". That was Betty. She always had a kind word and a sweetness of spirit that made you feel special. My students loved it when Mrs Waymire would be my substitute and always had positive things to say about her. Betty's service today was perfect and I feel like I got to know her better. Sadly, the world has lost a bit of its light with her passing. My heart goes out to Jerry and all her family. God bless you all.*
