“ Aunt Beulah,

*A kind woman you were, always sharing family stories and your love for the Lord.*

*I treasure the memories I have when we came to visit and stayed at your house.*

*You could always find a way to make a funny joke and everyone would laugh.*

*But most importantly, I remember and treasure your last visit to us here in California, when you talked and caught up with Grandpa Ralph.*

*He was so excited to see you, asked about you for days after you left.*

*The memories I have as a little girl and every Sunday night he would call you, hearing nothing but laughter and happiness as you all talked on the phone.*

*We were deeply saddened to hear of your passing, but we know you are reunited with your loved ones in Heaven.*

*Our deepest condolences to Shirley and Marilyn and their families. We love you all and are praying for you.*

*Love,*

*Efrain, Priscilla (Bailey), and Talisa Martinez*

*Great granddaughter of Ralph Bailey*

“ I am both happy and sad that this beautiful lady has passed away. Sad that I won't get another big hug from her on this earth. So very happy that I will have a glorious reunion with her when it is my turn to get to heaven. I have known her from the day of my birth, or shortly thereafter, and she was one of the rocks in the foundation of my life. Our two families were “joined at the hip” for weekend outings, vacations, and just hanging out in each others' homes. She was truly a second Mom to me, and I knew I could go to her if I ever needed anything. God has truly blessed me to have had her in my life and to still be a part of the family.
