“ *Words can not express how much I will miss Beverly. I will cherish the memories that we had cleaning the banks and sewing together. Most of all I will miss her saying "You Big Dummy" when I made a goofy mistake. God now has an awesome angel to fix the angels choir robes. You will be missed. Marie Davis*

“ *Miss Beverly,
Words cannot express how much I loved you dear friend! I will miss you greatly but I know you are now resting in the arms of our Lord! You and I were prayer partners, choir partners and good friends! I enjoyed. Our talks, our walks together and all the times you were my seamstress. I will never forget the laughs we had when you hemmed Jen's wedding dress and you said you never saw a dress with so many layers 😊. I am glad You were in my life! My family and I loved you so much! I am keeping Rebecca, Cillia,Marque and families in my thoughts and prayers. Enjoy Heaven my friend!
Love you always,

“ *The Lord gained a special Angel. Bev was my best buddy at Stewart Road Church of God! I have missed her and thought of her often. We joked with each other a lot. I was very sad when she moved away and missed her everyday. God speed my little Angel. Miss your smiles. Thank you for being my friend.*

“ Our prayers for the family. Bev was a major part of the life of our congregation. Her ministry in song was a blessing to hundreds of people in our church. As her pastor, she saved me a few times with her mastery of skills as seamstress (buttons falling off before service). She was a friend and true support to my family and so many others in our church. Her conversations would not go long before they made their way to her family that she loved. Most importantly to her (as all people of faith), you would know in short order that she was a genuine Christian woman soon after you met her. She was missed here in Monroe, Michigan when she left to be with her family, I pray for the comfort of her family as she now has left this world - however, absent from the body she is present with her Lord.

“Grandmama” was always the sweetest lady, especially to my sister, Liz Lawson and my niece Alex. She treated people as if they were her blood relatives. A true Christian and beautiful soul. My condolences to her family and everyone who knew her and loved her!

“ Dear Rebecca Marque Pricilla and all the precious grandchildren and great grandchildren, my heart is saddened but I am rejoicing for my longtime friend and mentor who is now in the presence of her beloved Lord and Savior!
She taught me so much about faith prayer and trust. Her favorite verse that she quoted many a time was "I am the Lord is there anything too hard for Me?"
She helped and supported me tremendously during my husband's illness and death 3 years ago Sunday the 9th.
I've missed her and will miss her until I see her again.....love and prayers, Renee Saul
