

Beverly Parschauer

August 19, 1949 - November 18, 2024

Beverly Jane Parschauer (nee Overend) entered the gates of Heaven on November 18, 2024 at the age of 75. She was deeply loved by her husband of over 52 years, Dr. John Parschauer, retired ophthalmologist from Sandusky, Ohio; highly revered by her three sons, John Mark, Justin and Ryan; admired by her three daughters-in-law; and adored by her nine grandchildren Mia, John Justin, Grace, Max, Beatrice, Maggie, Gabriel, Noah and Abigail.

Beverly was born and raised in Philadelphia, where she was an exceptionally gifted student, and would later go on to attend Temple University at the age of 16. In her early 20s at a Bible school in Germany, she met the love of her life, John. They were married shortly thereafter and created a life together focused on generous service and love.

Beverly and John were blessed with three healthy and active boys and eventually settled in Huron, Ohio where they lived peacefully and faithfully for nearly forty

years. In 2016, Beverly and John retired to warm and sunny Tulsa, Oklahoma. Beverly quickly made a new and loving home, enjoying her last years surrounded by her loving and devoted husband, sons and grandchildren. Beverly was an award-winning, accomplished pianist whose talent and love for playing hymns filled the sanctuaries of The Chapel in Sandusky and First Presbyterian Church in Tulsa. Her warmth and caring heart led her to be a natural teacher, and she was passionate about teaching music, ladies Bible study classes, Mothers of Preschoolers, and not to mention raising three rambunctious boys! She loved to travel, and her favorite trips included a Rocky Mountaineer train ride in the Canadian Rocky Mountains and a riverboat cruise in Portugal to celebrate John and Beverly's 50th Anniversary. She loved waking up early to read her morning devotionals, going for long, fast walks, and had a flair for interior design. Beverly was a vibrant host who held many family gatherings and celebrations, always finding creative ways to sit twenty people at the dinner table and never hesitating to have carloads of teenage boys over for an end-of-the-year sports banquet—all done effortlessly and joyfully. Beverly will be greatly missed by all those who knew her. She has left a legacy of love,

kindness and encouragement, and her memory will live on forever.

“ Saddened to hear of this... forever will cherish her kind spirit. Shine on Mrs Balcony. My son still remembers her tenderness in taking him to the church balcony during services when he was fidgety. And she always had a treat in her purse. A sweet angel on earth. Peace to you all.

“ Loved everything about this magical soul. Bev brightened any room she entered, reflecting not just her Savior’s love, but her zest for life. Both sides of heaven are sweeter because her missional, other centric soul had no off switch. Fave memory was when a group of us were “vision touring” through Central China in 2010. Not sure how she found out my birthday, but even more surprising was that through all the cultural and language barriers she was able to rustle me up a cupcake and candle, AND a surprise family serenade at about 6:00am as I was getting off the elevator. She had a sixth sense for these things, in celebrating others. So giddy she now has her forever body, but we will miss her much in this interim before the grand reunification. Love and condolences to the entire Parschauer tribe in the wake of Bev’s promotion to glory. She’s home!!!
