“ *To my dear cousins, may your memories of Billie Jean glow like golden embers in the night. While I cannot be with you at this time, know that our prayers and thoughts will be for each of you, now and over the coming days. While I have no words to assuage your loss, know that precious memories will linger and will comfort you for all time. Billie’s smile, her loving way, her focus on life abundant and life eternal are assurances that she will rest in the loving arms of our Creator and those of our clan who have walked on before. Billie has always had a notion that someday, she would follow the sentiments of the hymn that our Granny Jones taught us to sing.....”Some glad morning, when this life is over, I’ll fly away....to a home on God’s celestial shore.....I’ll fly away. And, Billie has flow away from the challenges of this world to a peaceful rest to that “land where joy shall never end”. To my dearest cousins, Judy and Jerry; I will hold the best of my memories of your sister. Especially to you Rochelle and Rich, I send my condolences on the passing of your Mom. Please look for the shining and durable examples of Billie Jean to safe-keep and pass along for future generations to know and understand. And, as Granny Jones would have said, “In the end, that will have been enough”. Be well family. Walk in the sunshine. I’m certain that my good cousin Billie Jean would want no less of us all.*

*Jay Hannah, a cousin by your Aunt Bobbye Jones Hannah and the Grandson of Si and Josie Jones*
