“ *To The Woessner Family*

I was saddened to learn of Blaine's passing.

He helped me a great deal with the Costco Canada Windsor Foods business but did not like making trips up here in the winter.

Blaine was always well organized and on top of his game with the Costco Wholesale Canada meetings.

My condolences to the Woessner Family.

God Bless.

“ *It was my privilege to know Blaine in sports and business.*

He maintained high standards in all endeavors. This was reflected in his quest for continual Improvement in every area.

Blaine relished his family, their milestones and ongoing activities. He was most proud of his children’s accomplishments as they developed under his and Cindy’s supervision.

Life does present challenges and it was rewarding to witness Blaine’s responses and solutions that would have defeated others. His unbridled enthusiasm led him to accomplish major milestones.

I shall always remember his positive approach on issues of the day.

“ *Blaine was one of my favorite people to work with at Windsor. He was always so full of energy and life. He was caring as well and I learned a lot from him. He always made me smile each time we spoke as he had an endless supply of funny “country” sayings or Blaine-isms as we called them. While working with him, I felt like I got to know his family too. He was always talking about them and you could tell how much he loved his family. He is missed dearly. God Bless,
Sarah*

“ *I have to many good memories of Blaine to write about. Many fond memories of our time working together at Safeway on midnight shift. He was a special person that was willing to do anything to help anyone. He was one of the groomsmen in my wedding and was always cheerful and fun to be around. That can be said for all the brothers though and their mom as well. I feel blessed from by being able to have shared a part of my life with the Woessner's.*

“ *Blaine was just like all the Woessner family. He made you smile, he was so happy and loved everyone. He was kind, thoughtful and always ready to help. I will miss him greatly and hope his family knows how many people he touched and changed their lives for the better. His Mom was there to meet him with open arms and they rejoiced in knowing and loving family and the Lord. He was a good friend and always made you feel like you had value. Love you brother Blaine.*
