“ *Mr. Hansen was the sweetest down-the-street neighbor that we barely knew! We had only a handful of short conversations but we could discern that he was a down to earth & good, hard-working man. In the almost 20 years that we've lived in the L-shaped corner end of the street, he would often drive by (sloooooow) in his truck & smile & wave. If we didn't notice him, he would keep driving, but would HONK to be sure we saw that he was waving. Carol & Terry...you & your entire family have our deepest sympathy for your loss!! We will miss seeing his smiling face! - Lorrie & Scott Reibert*
