“ I think of you everyday Bobby and miss your smile and laugh. There is a big void in the family without you. I think so often of us as kids. We had good and bad times. I remember how on our way to Indiana we would hang our heads out the window and sing. How we enjoyed those vacations so much. How we would sleep upstairs and our room was above the living room and we would get on floor and listen thru the vents of dad and mom and grandma and grandpa talking. I know you wanted to live 5 more years and I wish you could have. I would have done anything to save you. I love and miss you bro.

“ My brother Bobby can't be described not enough room. He acted tough but had a big heart. We said our goodbyes Dec 23rd and 24th. On the 24th his last words to me were "I love you babe"... I love Bobby and will think of him and miss him daily. When Bobby walked into a room the laughter had arrived and you were still laughing after he left. I love you Bobby and glad you are out of pain and are with our loved ones. Rest in peace my brother.
