*June I am so sorry to hear you lost your Mother. You and Josh have wonderful loving memories of the times you spent together. How proud your Mother must have been of your accomplishments and so glad she got to see you become a beautiful person and wonderful teacher before she passed. She is in heaven now and you and Josh have another angle to watch over both of you. If you want to talk or go out to lunch know I will be here for you. Prayers for you, Josh and your family. Love you Girlfriend💕*

“ June and Josh, I am so very sorry in the loss of your Mom and Grandmother. She was a great Mom to all of your friends June. And she will be missed. I remember how she and your Dad took care of all of us. Of the early morning visits over coffee she and I would have while you slept in whenever I stayed the night/weekend with you. I always was treated like a daughter and was loved like one. If she knew I was coming to visit, she would make a cherry cheesecake for me. And she was a very proud grandmother. She loved you Josh so very much!  
My thoughts and prayers are with you both during this very difficult and sad time.  
Love you both!  
Dianna
