I first became acquainted with Brad way back in the early '90s when he was with Heritage Propane and Energy Transfer. I was Larry's assistant at Doerner Saunders law firm, and we worked through many closings on behalf of Heritage and Energy Transfer, and Brad was a big part of those deals. Brad was always pleasant and easy to work with on these deals, and I thoroughly enjoyed working with him and the other Heritage/Energy Transfer people throughout some 20+ years. I will miss hearing about his grandkids and his dogs (Belita the latest one). RIP Brad, you left a smile on my heart and will be missed.
