

## Bradley "Brad" Ogle

November 3, 1965 - January 24, 2024

Brad Ogle, born November 3, 1965, in Tulsa, departed this life on January 24, 2024. Between those dates, he lived a life marked by tenacity, love for his family, and a wicked sense of humor.

A graduate of Jenks High School and a student at Spartan Aviation, Oklahoma State University, and Tulsa Welding School, Brad was known for his curiosity and ability to 'McGyver' anything. From flying remote control airplanes and building models, to enjoying music and following politics and the news, he immersed himself in a world of diverse interests and enjoyed understanding how things worked. We have great memories of him on family trips to snow ski and spending time at the lake. He loved his dogs, Trucker and Nixon. He could always be counted on for a lively debate or a cigarette. He will be incredibly missed.

He leaves behind his mother, Elizabeth, his sisters Deborah Kurin, Leigh Reaves, and his twin Jennifer Allen. He is also survived by his brothers-in-law Dorian Kurin, John Reaves, and Steve Allen, along with 4 nieces - Abby Kurin, Claire Reaves, Emily McNulty, Avery Allen - and many aunts, uncles, and cousins. He was preceded in death by his father, LeRoy Ogle.

In lieu of flowers please make contributions to Family & Children's Services in Brad's memory.
