“ Brent will be deeply missed. I could see the love he shared for his family, especially his two boys. It was always a joy to visit with him while my son and his would play air-soft together. He has touched so many lives and know that he has left a positive impact on the lives of young men. A true role model. Brent will be deeply missed and my prayers are with his family.

“ I'm so sorry to hear about Brent. The past few days I have spent telling my children stories about Brent and our friends in school, both funny and bittersweet now. Like the time he drove us down Old Maid Hill Road in junior year, and how Andy and Ryan got out of the car to try to scare us girls into thinking the Goat Man was there. I laughed so hard I couldn't breathe. Or the time after prom when he fell asleep at our house and Clay pretended to pucker up for a smooch on the cheek (and I do have a photo of that - haha). And so many stories on the band bus going to football games, and stories from youth group trips with the church.

It had been 23 years since I'd seen him, but sharing these memories, I feel like he's not that far away at all.

I am praying for you guys, and for Brent
