“ *Brock was such a good person! He was so handsome, kind, loving, talented, intelligent and the list just goes on and on! I feel so blessed to be his aunt. I have such fond memories of him. The first time I met him he was three years old. He was the cutest little guy I had ever seen. He had tons of energy and was extremely curious about everything! Over the years I've watched him triumph at life! He had the nickname "Champ" and it was so perfect for him...he literally was a champ in life! He loved deeply and completely! I didn't get to see him as often as I wish I could have, but when I would see him I would get the big warm bear hug and for that moment I would have his complete attention! I loved him totally and completely! I pray for his precious momma (my sister-in-law) his father Billy, stepfather Skip, sweet sister Lexi & loving brother Blake that God holds them a little tighter and guides them through their grief to a place of peace. I can only imagine how beautiful heaven is and I find comfort in knowing that our loved one is in the arms of our Savior! We shall indeed see him again! I love you, family! I'm here for each of you!*
