“ I agree with Greg...great teammate and buddy. We had as much fun off the court as we did on the court. I remember some of our high school parties that got a little wild for the 60's.

He was a big part of one of the biggest upsets in South Bay History and we are still talking about it 54 years later.

God bless Bruce's family and Rest In Peace My Friend.

“ Bruce was an amazing individual and a blessing to our nursing home! I have never met an individual who made me as well as others, smile as much as he did. I will always remember taking him to the Senior Olympics and just having a blast competing against the other nursing home and yelling out "your cheating". Gosh... that smile when we won the big trophy! He truly had the most loving heart, even though he didn't like to show it. He brightened our day with his smile and ornery antics at our office window. I cannot express the heart ache I feel or we all feel. In the short time of knowing him he was truly loved! He will forever be missed! We send our condolences to his family and friends. - Brittany
