“ *I have lost my best friend. I will miss his smile, his laughter, his joy (very subtle but very real) his generosity. He was a great friend, the kind you can just sit with quietly and enjoy every minute of it. He will be missed by so many people for thousands of reasons why. I know we will meet again and until then fairwell my friend my hero.*

I'll never forget how hard you laughed watching Terry Vader as you shared that with us at our house. My kids all think the world of you.
