“ *I just found out that Carlton passed and I just wanted to send my condolences to Brenda and her Daughter. I hope that time has help ease some of pain from losing such a wonderful, caring person. Carlton was my 1st Manager when I was promoted into management with Sams Club. I worked for him in Birmingham AL. as a MIT. We worked hard, but always laughed harder. I use to love when I would approach Carlton with a situation that what happening and his response most of the time would be "wholly buckets". Made me laugh every time. We lost touch over the years, but I never forgot his guidance during the years that we worked together. He was my mentor, and I used the lessons I learned from him my entire career. He taught me so much on how to be a quality manager but more so, a good person.He taught me how to care, but still be tough, how to be a person with integrity-but again, more importantly, how to be a good person. I will always have a special spot in my heart for Carlton. Rest in peace my friend.*

“ Praying for comfort for the family. Carlton & I worked together in the first Sam's Club in Midwest City OK. Our paths crossed many times over the years - he talked me into coming back to Sam's in Lenexa KS (1989) after five years on the WM side. Christi worked with Carlton as well & we were like family not just business associates. Rest in peace my friend.

“ So many stories and laughs with guy! He was one of a kind. The picture with me was last year @ 8263 Sheridan and the picture of him & Brenda 2011 Grand Opening of Tulsa Hills.

“ Lots of good memories of the Walls family. Remember the many visits that Carlton and Brenda would come to see my Mother when she was in the hospital. Mom would call Carlton after she had taken Ollie his Mom to the Dr. and give the report. Yery good man.

“ *Brenda, Cherilyn and family...*

Our loss is Heaven's gain. We will always think of Carlton's happy smile and friendly personality. He exemplified true Christian love, service and commitment, not only to his church but to his family and friends. I can just imagine 'The 3 Amigos' (Don, Gary & Carlton) having a great time together in the presence of the Lord!!

We understand what a 'great loss' you'll have to endure in the days, weeks and months ahead. Please know that our love, prayers and support are with all of you.

*Our sincere sympathy...

Brenda, Cherilyn, Robert and Boys, Please know my thoughts and prayers are with you as you go through the next days, and weeks. I will always remember your visit with Rick and I in 2015 and Carlton watered my flowers every afternoon and always had a smile on his face. The prayers at meal time I will always remember and he and Rick waiting for Brenda and I to finish shopping and then visiting our church, I was so happy to introduce you 2 as my Second Family from Oklahoma. My heart feels your pain because I know your feelings of being sad over your loss but Carlton is in Heaven with no more pain. Thinking of you with love and prayers.
