“ *Carlyn Faye Fryer*

“ *I had the opportunity to serve with Carlyn in a stake primary presidency for several years, it was such a wonderful experience for me. She was our Scouting expert, our voice of reason, our rock! We all looked to her for advice on all kinds of subjects, she was the kind of friend that you can talk to about anything.*

Carlyn had the most positive outlook and was such a warm person to be with, for years after that experience we tried to have breakfast just to spend time together, Carlyn was a true friend and you always left her presence blessed.

I am so sad to hear of her passing and send the best of blessings to her large family that she loved with all her heart.

“ *I remember when I first moved to Broken Arrow I signed up to go on a relief society temple trip. I drove to and from the temple with sister Fryer and sister Gibson. I loved getting to know them, and always felt a special connection with both of them because of that experience. Sister Fryer always offered warm greetings to me whenever I saw her.*
