“ *Ma was a wonderful woman; she took me under her wing 5 years ago and I would not have had it any other way. I am going to miss sitting there with her discussing books for hours. I love you and will miss you Ma.*

“ *Carol was more like a sister than my 2 actual sisters. We worked together shared a lot of laughs and conversation about just about anything. She will always be an inspiration to me. I loved her as my sister and will never forget her.*
