“ *Words cannot express the depth of my sorrow over the loss of Carrie who is the reason I became a Tri Sigma. Carrie's smile and laugh will forever be with me. I remember walking into Chili's not knowing that Carrie worked there; she yelled my name and greeted me with a huge hug as if no time had passed. I will be forever grateful for knowing her. Please know that my thoughts are with all and may peace bring comfort and courage to face the days ahead with the loving memories that we will forever hold in our hearts.*
