“ To Evelyn and all the family,
I am so sorry for your loss! Chuck was a wonderful man! I have so many fond memories of him! I enjoyed getting to know Him through the crude oil business, but he always made it more than business. I loved hearing all of his stories and adventures. He was so proud of all of his family and was just an all around good man. Please know you are all in my prayers! Much love to all of you!

“ I met Chuck 4 1/2 years ago at Health Zone when I started teaching Pilates there. He started doing private sessions with me and I enjoyed working with him so very much. He always came in full of energy and made me laugh just about every session. His humor and hardworking attitude inspired me and truly made me love my job. Working with him made my transition at a new place so much easier. I will always keep him in my memory and I truly enjoyed the time I had with him. He was one of a kind.
He even came to my Naturalization ceremony 2 years ago. That was very special to me.
As I enjoy working with almost the whole family now I can tell what a wonderful family the Harmon's are and you are all in my prayers. Thanks so much for allowing me to have met and work with Chuck. Love to you all.

“ My Thoughts and a Prayers are with the Harmon Family this
morning. I was thinking how sharp Mr Harmon was in the oil and
gas industry. Many Degrees and lots of hands on experience but he
loved being out in the field and talking to us and would get our
thoughts on projects. Such an amazing person to know. In fifty
years of being around oilfield folks, Chuck stands out as a great
person to work with not just for. Love all of you as Chuck was called
home too soon, Yet I know God has a perfect plan for all of us.

“ *Chuck was a true Oilfield Wildcatter that would jump in with both feet and drill where others would only dream about. He was Personable and a good Christian man that embraced your friendship. He was fun to work for because he knew hard work from personal experience. I cry as I write this because I hate to let go of such a friend. I was sitting in my truck eating a Chuck Harmon Praline when Bill and Rodney called me. I love you Harmon Famly. God Bless
