“ Terry was a good friend, fine athlete, a stand-up guy. I remember him was a fierce competitor. We saw each other at one of the last reunions. It was a great pleasure to see him and to meet a grandchild, about whom he was absolutely proud. I grieve this loss.

“ I remember Terry and Jerry trying to sneak me into the celebration grounds for the for the centennial celebration that they were a part of back in 1961... We almost made it but got caught, it was fun trying though. Rest In Peace old friend...🙏💜
