“ Charlotte *"The Pie Lady"* Bevil

“ *I feel blessed to have known Charlotte through church many years ago. She was a great lady. If we have tasks in heaven, we all know what Charlotte is doing, and always with a happy heart and smile on her face. If anyone attending Arrow Heights, (with exception to the last 9 or so years) did not have the opportunity to enjoy a piece of one of Charlotte's pies, you just needed to stay about one more week. She probably made pies in her sleep! What a blessing she was to so many. My Dad, Otis Johnston, and Charlotte were on the same time schedule at St. Francis for radiation back in the late 80s or 90s. I think they sort of enjoyed seeing a familiar face there, and they prayed for each other. I still remember Daddy being so tickled that Charlotte offered to bake a pie for him....and he eagerly accepted. My Daddy loved pies.....except for the crusts, of anyone's pie. Brother Noland, Arrow Heights' first pastor, shared something in common when it came to pies; they only like two kind: hot and cold.*

Harry, Leslie, Jarrett and families, it's never easy for us to lose a precious family member, but praise God, you know she is dwelling in the house of our Lord. My thoughts and prayers are with you.

“ *Our family always enjoyed Charlotte's cherry pies! And, it was a joy to visit with her about cooking. We attended Arrow Heights with her family for many years. She was a very sweet, happy, and caring lady. We are sorry to hear of her passing, and will keep the family in our prayers.*

“ *As a friend and coworker of the “pie lady’s “ son, Jarrett, I have been on the receiving end of her excellence pies.*

I consider Jarrett a good friend and appreciate his parents raising a fine son who like his father, found it right to serve his country and also be helpful to others in his life. I can only imagine this is due to the influence of a Godly mother.

Congratulations on a life well lived and condolences to those left behind.
