“ *Love is patient and kind. Love is not jealous, it does not brag, and it is not proud.*

*Love is not rude, is not selfish, and does not remember wrongs done against it. Love is not happy with evil, but is happy with the truth. Love patiently accepts all things. It always trusts, always hopes, and always continues strong.*

*Love never ends...*

*Now we see as if we are looking into a dark mirror. But at the time, in the future, we shall see clearly, Now I know only a part. But at that time I will know fully, as God has known me.*

*So these three things continue forever: faith, hope, and love.*

*You were an amazing person, I am so sad, my heart aches, I will always remember your beautiful face in the classroom, so funny, always talking about you're Husband, and your boys. You always had a wonderful outlook, even when I waxed your eyebrow off. I love you dearest, there is another star shining in the beautiful night sky, Chrissy.*
