“ Roy and Clara were good friends with my aunt and uncle, Dewey and Shirley Blankenship. They square danced, camped and enjoyed each others company for many years. As previously stated Clara was a wonderful cook. We are from a large family and each time we lost a family member Clara was present bringing one of her delicious dishes. One that I recall was her light and flavorful angel food cake. Clara was such a positive and friendly person. She always had a smile on her face and was always supportive. She has a special place in heaven.

“ Having grown up with Clara in my life as well as ALL the Gallo's was nothing short of amazing. So many, many memories I have. What I am most grateful for in recent years, was her helping me to perfect her famous fluffy sweet dinner rolls. I am also grateful for her advise on my quilting. And then on one of my recent visits, the calves had gotten out on the road. People were coming by to say, "your cows are out". I said lets go. We got in my car and drove a short distance up the road. She got on the front end of the car and me on the back. We shoed them back in and laughed all the way home. I love you and know that you and Roy are dancing in heaven.
