“ *Looking for Jessie Robinette's family. She was my Grandmother, murdered by my Grandfather. She had a sister named isabell who married a Claud McCumber. Jessie (Essie) also had a brother named Leon. We never got to meet anyone on my mothers side besides the rest of the Watkins kids. They remembered the night their father beat her, asking them to throw out shoes but they were too afraid their father would kill them. I know I have the right family, I just wish it were a few years ago and we would have gotten to know Claude. May you Rest In Peace Sir. Say hello to Ruby Merriott, our Mother. She was 4 at the time, her little sister Mertie still lives near us. All but one of Jessie's kids survive(Mertie) They never had a Mother, we never had a Grandmother. My name is Sandra 209-712-5387 is my number if anyone is my relative. Thank you 1/2/2018*

“ I worked with Claude since the mid 80's he was a great friend. We had some good times together, especially at table rock we both shared a love of ranger boats. Some of our endeavors I probably shouldn't write down. Just know he was a good friend would do anything to help if needed. Here's to you Claude give me one out of the middle!
