“ *The first time I met Bud was in the back parking lot of the high school, I'd been in a fight, and half the school staff was looking for me, I was a disruptive teen, Bud kinda snuck up on me, I heard a voice behind me say "I believe you're the one everyone is looking for" . We talked a bit that day on the way to the principal's office, and wasn't long before Bud became a confidant, privy to all my secrets. We talked about God, and my relationship with Jesus, he saw me thru many years of bad decisions and tragic events. One thing I never failed to feel, was Bud and Donna's love and understanding. I love you both. Very much. Gonna miss you Bud, fly high beautiful child of God!!!*
