

## Connie Moore

May 20, 1948 - October 31, 2022

Connie Kay (Robbins) Moore was born “a military brat” in Denver, Colorado, on May 20, 1948, the daughter of William Robbins and Olga Baker Robbins. Connie passed from this life at home, on Madyn Hollow Farm, near Inola, Oklahoma, on Monday, October 31, 2022.

Being an exceptionally intelligent student, Connie obtained an Undergraduate Degree in Life Sciences from Tulsa University and a Master’s Degree in Radiation Physics from Oklahoma University. While working as a radiation physicist, she attended night classes at the Tulsa University School of Law and obtained her Doctorate on December 16, 1980. After she and her husband graduated together, they were married and became members of the Oklahoma Bar Association in May, 1981. They practiced law together for a period of time.

While representing numerous cities surrounding Tulsa in 1989 before the Oklahoma Corporation Commission, Connie was asked by one of the Commissioners whether she would be interested in opening the new Office in Tulsa and working as an Administrative Law Judge. She accepted and has served the State of Oklahoma in that capacity for 33 years.

Because of her life-long passion for horses, Connie purchased ponies for her husband’s two young daughters, Beth and Julie. Connie has invested her, and her husband’s, time, energy and money in Welsh Ponies over the past 42 years. After attending a few pony shows, Connie joined the Oklahoma-Kansas Welsh Pony Association and the American Welsh Pony and Cob Society. She

later served as a Welsh Pony judge for the Welsh Pony people, traveling in North America to different shows and events. Additionally, Connie raised and, in 2008, provided Boomer and Sooner, the OU Football mascots, to the Bartlett Foundation of Sapulpa, Oklahoma, who only recently transferred them to the University.

Besides being an attorney and judge, at law and of Welsh Ponies, she and her brother Gregg, were accomplished ice figure skaters in their youth.

As evidenced on social media, Connie will be greatly missed by all those that knew her.

“ *Connie and I not only worked together, but I thought of her as part of my family. There was such a rich depth to Connie that not everyone knew. She was such a giving, loving person who cared deeply for those she loved. The OCC will not be the same without her there, but most of all, I will not be able to share my daily life with my friend. I love you Connie and miss you already. Ted I'm just a call away. Beth Million*

“ I would like to send my condolences to Ted and the rest of Connie’s family for the death of a very good friend of mine, Connie. I appeared before her at the OCC in numerous hearings. Her ruling’s at times did not always agree with my clients request, but she was always polite and insightful in understanding what was before her. Even though I highly respected her as a Judge, my comments go far beyond appealing before her in the courtroom, my friendship and bond goes to her and my medical condition. Connie and I had a ongoing fight with cancer. Her support, and I hope mine to some small degree, helped us both. I know through our talks, how much support Ted gave her. Support I know that is so important to one having to go through cancer treatments. I will miss Administrative Law Judge Connie Moore, but more importantly I will miss my good friend.  
Michael Stack  
ps. My wife, Becky, had the opportunity to meet Connie, and of course hear me talk about her, she would like to include her condolences to the family.
