Daniel Ray Tillman was born Tuesday, July 12, 1955 in Tulsa, Oklahoma to Ray and Alice Maxine (Bolding) Tillman. He passed to his heavenly home on Saturday, October 10, 2020 in Tulsa, Oklahoma at the age of 65. His services will be under the direction of Hayhurst Funeral Home.

Dan was a high school graduate and stayed involved with the school system as a school bus driver. He met Saffie Nilsson and they married in Sand Springs, Oklahoma on Sept 2, 2012. He was a fan of John Denver and his music. His favorite colors were black, blue and purple.

Dan was a Christian man and attended Rhema Bible Church. One of Dan's hobbies was talking on his ham radio. His "handle" was K5UAW and he talked to people near and far. He liked to ride motorcycles. He was very fond of wildlife, but his love extended onto his pet cat, 'Stray' and his friend's dog, 'Boog' as well as other pets of his friends. A friend and fellow bus driver of Dan. He was a great guy and he had a great love of the Lord and what was right true and just.

We met Dan at Faith Church and he usually ate lunch with our family every Sunday. Dan always had a smile on his face and a happy demeanor and he always made you feel like he was excited to see you. He was a man of faith with a very big heart.

Dan was a great friend and someone I always enjoyed spending time with. I met Dan at church and instantly became friends with him when he found out I had a motorcycle. I'll never forget the trips we went on with Dan, my grandpa, and a few other close friends. We shared a lot of great memories together and I'm happy to have been part of his life. His faith was stronger than just about anybody I know. I will definitely miss his phone calls, impromptu visits, and our trips to Harbor Freight and Cycle Gear.

Dan, you were a great person and my friend. I enjoyed the time we spent riding our motorcycles and talking on the radios. You were always smiling and full of life, sharing stories of your Colorado trips and other ventures you went on. Our radio group won't be the same without your voice on the air any more, and we will all miss you dearly. Ride that Ninja high in the sky and I'll say 73 for now because I am sure we will see each other again someday my friend.
