

Danny Beck

February 9, 1953 - July 25, 2024

Danna (Danny) Joe Beck was born on Friday, February 9, 1953 in Tulsa, Oklahoma the son of O.A. and Zela (Dorsey) Beck. He passed this life on Thursday, July 25, 2024 at St. Francis Hospital in Tulsa. He was 71 years of age.

Danny was a 1971 graduate of Broken Arrow High School and attended Oklahoma State University before graduating from the University of Tulsa with a bachelor's degree in political science. He was married to the former Miss Kathy Bretanus on May 23, 1981 in Broken Arrow.

Danny was a people person who loved to talk. Danny was also a car guy who loved Chevrolets. He sold cars most of his life, beginning his career at Ramsey Chevrolet in Bixby, and worked at multiple dealerships over the years. His lifelong dream was to own his own dealership, a milestone he achieved in 2003. His best years were those sitting behind a desk or chit-chatting with customers at Danny Beck Chevrolet. With Danny, it took 20 minutes to buy a car but 2 hours to leave the dealership. He enjoyed farming, fishing, and NASCAR, but his greatest joy was spending time with his family, especially his grandchildren.

The family requests memorials to The American Kidney Fund at kidneyfund.org or The Future Farmers of America at ffa.org.

He is survived by,

Son, Daniel and wife Megan Beck, Norman, OK

Grandchildren, Titus, Caroline, Paul, Eleanor

Danny was preceded in death by his parents, O.A. and Zella; infant daughter, Cynthia; brothers, Jerry and Bob and wife Judy.

“ I still remember the day my coworker brought Danny’s business card into my office & told me that he had just purchased a new truck from Danny, and it was the best vehicle purchase experience he ever had. I met Danny soon after, & knew I’d met a true gentleman & friend. He taught me so much about fleet trucks and life, as we started a friendship I’ve treasured all these years. Gonna miss you terribly Danny

“ Becks,
I have to say it was an honor and privilege to have known and been friends with Danny. We owned a RV dealership in Sapulpa and Danny was a good source of information for me on how to run a dealership. I remember sitting in his office at Danny Beck Chevrolet hearing his sales stories. All the time hoping that I would get out of there without Danny selling me another vehicle and knowing that he was the best at what he did. Thank you for the memories Danny and my you RIP.

“ Danny worked for me at Byron Jackson in Tulsa. He always had a smile and was a hard worker. Unfortunately I had to lay off Danny during a down turn but when I told him he said "that's OK, I understand and I will be OK ". Typical Danny, he made lemon aid out of lemons and went to work as a car salesman, which launched his career. RIP, Danny.

“ He was a great man. Learned a lot from him when I worked with him at Speedway Chevy. I remember he had more traffic than the dealership combined. Every other person that came in asked for Danny. I was one of the few he would let help out his clients.

I drove Garrett and Danny to hot springs Arkansas to the races once we had fun !
I
Miss those days Danny sold me all the big block Chevelle that came in , cause they couldn't sell them gas price jump to two buck a gallon premium was more than that ! So Bill had Danny sell them to me , think I had six at one time ! Wish I would have held onto them longer !

“ Danny's family invited our sixth grade class to come and celebrate our graduation from sixth grade. I wanted to fish but had no pole or bait. Danny gave me a pole and said the fish were hungry so just put the hook in the water. Lo and behold, I caught a nice catfish. Fortunately I think it was a catch and release kinda of day. But I have always loved me some Danny Beck. I am sorry for the family's loss but The Lord has gained one of the best boys I ever knew.

I wish the family all the blessing in this time of loss. Danny was a joy and always a great time to be around. Laughter was a daily occurrence and of course a story. He was a great family man as well as friend. I hope they have coffee in heaven lol
