“ David was a great guy and very loving father. He impressed me from day one when he showed up at Parnel Biogas to help us with our network. Over the last five years he was the only one that kept our systems running. We forged a friendship that went beyond just a working relationship, he will be truly missed. Our hearts and love go out to your family and Makalya

“ I grieve with the family in the loss of this fine young man. David and I met when he worked at Gateway Mortgage Co. I called him to come to my house to work on my computer many times after I left Gateway. The first time he came he brought his beautiful daughter with him and I was enjoying entertaining her while he worked on my computer. He really was a wonderful person and will be missed by many people.

“ I've known David for 17 years. He had the kindest soul, was *THE BEST* father, and a brilliant man. He raised her with so much love! We spent the Fourth of July together, laughing, talking about the good old days, & how we met when my 17 yr old son was a baby. She was playing with my 11 month old, granddaughter, i have many pictures of that night. I spent almost 2 hours with his precious daughter, we sang Karaoke on my TV, she braided my hair, & talked about her dad....because he was her whole world! She is the most beautiful, intelligent, well adjusted young lady, all because David loved her more than anything in the world, since she was a newborn. My heart is breaking. Rest In Peace, my dear friend. ❤️💔
