“ *I had the pleasure of meeting David and his wife when I was hired to take care of David as his home health tech. He was something else with his garden and little projects he was having me do. I did enjoy our talks. He was something else but you quickly grew to love him. There were so many laughs! He is going to be greatly missed! Love and prayers to his family and friends!*

“ *Dave and Donna are friends with my mom and dad. They all used to be members of Good Sams RV group and they went on many camping trips together. We were glad to have shared in the recent birthday celebration for Donna, and to have been able to visit with Dave during the party. Dave was a sweet man. Our prayers for Donna and the family during this difficult time.*
