“ *My name is Coach LaMAR Burks. I was a substitute teacher at Btw, while David was a well rounded student athlete for the hornets. David was a great person to be around. In addition , he as well as his family left there legacy to the proud athletic tradition of booker t. Washington high school, the pride of the great southwest. And as it says “ you are a symbol of life, for many a youth by pointing its way to life’s best!, and that was David. This is April 5, and I am researching David’s legacy to add to the Btw athletic museum. May god bless he and his family in this time of mourning.”we have lost a great one... sincerely, Coach Burks/ Btw alum.*

“ I met David during our sophomore year at SMU while pledging the Kappa Sigma fraternity. I have so many fond memories of a man who not only enriched my life, but also everyone he met. You could always count on David to be the calming influence when needed, always thoughtful, grounded, honest and caring. We shared many adventures during those years, but our time in Colorado for Outward Bound stands out. David, the Eagle Scout, excelled while others struggled, and of course he was always quick to lend a hand. Once the trip was complete we explored parts of Colorado and New Mexico on a trip I will never forget. I can somehow manage to smile at the memory now, while also having tears in my eyes.

I was lucky to call David a friend. Over the years we did not keep in as close of contact as we should. I always figured we get our families together at some point. I wish Heather, August, Kylie and Lily strength and peace knowing David is within them, and that is a wonderful thing.

“ I worked with David at Baer Timberlake and Coffey Senger. Our group at Baer spent many lunch hours at McNellie's. He had to check off at least one beer on his list to earn his mug and give Bob Hauge a hard time for buying his mug and not earning it. He was just a great guy and attorney to work with. I miss him dearly but will always remember the impact he had on my life. David always stood up for what he believed in. I will always admire him. See you on the other side my friend.

“ *David and I worked together at Coffey, Senger and McDaniel - in fact, we had adjoining offices and spent a good deal of time talking about the law, cases, and other subjects. David was a joy to work with. I never saw a sign of his being down about anything - everything was upbeat and positive. Lately, he was so proud and excited about August's upcoming graduation and entry into college. I will truly miss working with David.*

*I worked with David at Latham Stall Wagner Steele & Lehman. I just found out about his passing and am truly saddened. David was a great attorney and a great man. He was always generous, easy going, and had a great sense of humor. I had lunch with David a few months back and remember that he beamed as he talked about his wife and kids. He will be missed. Rest In Peace, David!*
