Delores - shortened early to "Dee" - grew up in rural Iowa. She comes from a family of farmers. Although she only attended formal education until the 10th grade, she was knowledgeable and wise in maintaining her own home. Dee met Vernelle "Vern" Meyer and the rest is a history of love, withstanding the trials of life and building a family. They were married in Sutherland, Iowa, March 2nd, 1952 and somewhere along the way transferred further South. Dee was a successful homemaker and wonderful wife. Dee and Vern had a long marriage until his passing in 2016. Dee raised three children. She was a loving mother and grandmother. Her family continues to grow.

Dee and Vern took to the highways of North America after his retirement in 1995. She loved to travel with him in the RV, sometimes stopping to visit with family. What beautiful sights to behold! Other than traveling Dee's favorite thing was being with the kids and grandkids. She looked forward to going to church. She was faithful in her attendance at Immanuel Lutheran Church.
